

Michigan Aviation Safety Forum presents Lead Acid Battery Maintenance

Maintaining your lead acid battery is essential for longevity and reliability. Mike will present materials that will inform us of the best way to care for our batteries.

Directions: Upon entering the Student Center, use the elevators to the 3rd floor and to rooms 310A and 310B.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
